

Hotly Contested Campaign Fails To Attract Large Turnout; Freshman - Secretarial Class Leads the Way with 87% Voting

By Santo J. Sottolare

The votes are in. The polls are closed. The student offices on the Bryant campus have been filled. The class elections of 1958 held on October 24 were similar to past elections only in the amount of campaign literature handed out, posted, or left on student's desks. This year's elections were as different from past campaigns as a lion is different from a lamb. The balloting was earmarked by orderly lines, and the campaign was neither boisterous nor loud.

Competition was as keen as ever with 52 candidates seeking 22 offices. The student turnout left something to be desired. Fewer than 70% of the eligible voters managed to cast a ballot for the candidates. The percentage of turnout was heaviest in the freshman secretarial class with 87.16% of the students voting. Next highest was the B.A. senior class which carried 80% attendance at the polls. The remaining sections were B.A. sophomore, 62.26%; B.A. freshman, 51.30%; B.A. junior, 49.11%; and the junior secretarial class bringing up the rear with 27.27%.

The Senior B.A. class elected Walter Bucko, Gerald Chiquette and Gloria Bears as President, Vice-President, and Secretary. Treasurer respectively. Junior B.A. class officers are George Campbell, Pete Voccio, and Donna Kay Gardner. Edward Blanchette, Angelo Iannitti and Carole Chapporian were elected to represent the Sophomore B.A. class. Louis Logan, Robert Black, and Rosemary Orkis gained the Freshman B.A. class offices.

Gilbert Rose was an uncontested election to become President of the junior secretarial class. Also in the secretarial division Sally Johns, Rosalie Diggs and Sandra Levin are representing the junior class, while Linda Simmons, Marie Rocha and Sara Cornell became freshman class officers.

The preparatory class election was uncontested. The officers are Jack Foley, Thomas McKiernan, and Penny Gestel.

Revised Constitution Gives Effectiveness To Student Senate

By Kay McCormick

The revision of the Student Senate Constitution is being studied. Copies of the draft are being duplicated and the Senate intends to discuss it further at a special meeting.

Members of the committee, Dave Cherry, Paul Dinn, Bob Parry, and Kay McCormick, did an excellent job in making the revision a worthwhile and effective Constitution.

At the last meeting of the Student Senate President Les Howes briefed the 32 members on the rules and regulations governing class elections. The enthusiasm and interest in class elections was evidenced by the number of students present at the meeting. A healthy rivalry existing among so many students gave added zest to the election campaign and made it one of the most successful Bryant College has ever seen. At the meeting, plans were also made for the voting which was to be held in the auditorium.

The dedication of the Ledger, the college yearbook was also discussed. John Brennan, Gil Rose, and Sally Johns make up the committee that is planning the dedication.

Juniors and Seniors Get Picnic Proceeds

By Scotty Clancy

"Why should I contribute to the School Picnic? If a profit is made, I'll never see any of it." Such was a typical comment from many Bryant students last June 17, the day before the class picnic. These comments were the reason for the delay in securing enough acceptances of the picnic. How wrong these people were. And yet, were any of the people who made these comments corrected? Unfortunately, because the subject was shrouded in a cloak of mystery, the number enlightened was far too few.

This situation has now been remedied. Last semester the Student Senate, by a unanimous vote, adopted a resolution that gives all profits made from the school picnic to the students, to be divided among the Junior and Senior classes. From a total profit of \$240.75 the senior class received \$120.38 and the junior class \$120.37. This money now belongs to the students to be spent at their discretion. For the first time, a class function can be financed and held without the solicitation of funds through raffles or the like. The newly-elected class officers will greatly appreciate any ideas students may present which will bring about a co-

The first meeting of the International Relations Club was held Tuesday, October 28. Mr. Harry Cunha, advisor, conducted the meeting and supervised the election of officers.

Officers elected were Lloyd D. Constantine, Jr., president; R. Marston Whitehead, vice-president; Edmund Vele, delegate to the Student Senate.

Tentative plans for attending the annual CCUN Seminar at Harvard University were made. The seminar is to take place from 10:00 a.m. to 5:00 p.m., November 9.

A second meeting of the club was planned for November 4 to finalize plans for the trip to Harvard. All persons interested in attending the Seminar are urged to contact either L. Constantine or R. M. Whitehead. A first-class job of figuring out the best way to use this money.

Good Health Basic States Dr. Wing

By Irene Bollart

Dr. Eliza S. Wing, Jr., Bryant College physician gave a speech on the importance of health to the Secretarial Division on October 24 in the Bryant College Auditorium. Dr. Wing stressed the importance of health in business and industry and the importance of proper rest, diet, and exercise in college.

Pride in good grooming and good posture is important to a person's health and general appearance in an office. Dr. Wing went on to impress upon the division the importance of a well-rounded diet and proper nutrition. He also stressed that the problem of being overweight is a great one in America today and that a person who goes on a diet should not take reducing medicines unless prescribed by his physician.

Dr. Wing is a graduate of the Yale Medical School, post-graduate of John Hopkins School of Medicine, and a member of the American Medical Association.

The next assembly in the series is to be "Good Grooming and the Basic Wardrobe," by Miss Priscilla Moulton on November 17.

Corning Glass Field Trip Scheduled For Delta Omega Members

A tremendous turnout for Delta Omega's first dinner-speaker meeting was an indication of a very successful semester. Mr. George Arris, Financial Editor of the Providence Journal and the Evening Bulletin, was the guest speaker at the dinner held Monday, October 27, at the Admiral Inn.

Mr. Arris, a well-known financial and business authority, gave a highly informative talk on the future of New England. He answered many questions concerning New England brought up by members of the society.

A field trip to Corning Glass Works is being planned for the third week in November, and members should watch for notices concerning further information.

Bryant College to Conduct United Fund Day, Nov. 10

"The United Way Is the Share Way"

By Janith Brett and Terry Leonard

Once again Bryant College is being called upon to participate in the United Fund Campaign, which is being conducted from October 14 to November 20. The goal of the United Fund this year is to raise a total of \$2,437,000. In order for the United Fund to achieve this goal, your help is needed.

The United Fund was established for the purpose of combining all charity campaigns, with the exception of those conducted by religious organizations, into one annual drive to save expenses. This practice puts an end to many different campaigns and enables the Fund organization to distribute the money that is raised according to the needs of the participating agencies.

Men and women from many communities volunteer their time and effort to make sure that these funds are distributed wisely throughout the many agencies.

How can we at Bryant help to make this 1958-59 United Fund Campaign a success? The answer is very simple: By giving complete co-operation to the Fund workers here at the college. Dean Elmer C. Willbur has been delegated by the President, Dr. Henry L. Jacobs, to organize administration workers for this campaign. Mr. Kenneth Cedergren, Director of Student Activities, is heading student participation.

Contributions from the student body will be received on Monday, November 10, at 10:15 a.m. Student Senate United Fund Committee members will be in each classroom and division to receive your gift.

REMEMBER, WHATEVER CONTRIBUTION YOU GIVE WILL BE DIVIDED AMONG 100 AGENCIES THROUGHOUT THE STATE.

Bryant students are well known to many of these agencies by the voluntary services contributed by members of our fraternities and sororities. Some agencies that benefit directly by your contributions are the Butler Health Center, Family Service Inc., Miriam Hospital, Providence Tuberculosis League, the Salvation Army, Lakeside Children's Home, Emma P. Bradley Home, and the St. Aloysius Orphanage.

Agencies supported by the United Fund give total services that require total giving. They need our support more than ever.

Let's make Bryant College United Fund Day a day to remember! Only your generous help can insure the success of this drive.

LET'S PROVE THAT THE BRYANT WAY OF DOING THINGS IS THE UNITED WAY!

Bill Leone Presides Over Dorm Council

By Janet Cote

The Dormitory Council's new president, Bill Leone, presided over the semi-monthly meeting held October 22.

The president of each dormitory, or a representative, must be present at all meetings. If the president misses three consecutive meetings action is taken to elect a new president.

The Open House for the girls' and boys' dormitories was a huge success. Much thought and hard work were put into themes ranging from South Pacific at Eldridge Hall to an autumn theme at Barber House. Refreshments were served at all the dorms and everyone had an enjoyable evening.

Three Speakers At PSN Smoker

By May Phillips
With Chaplain Jerry Romano reading an opening prayer for the late Professor Eugene R. Vinal, Phi Sigma Nu's annual smoker was underway in the college auditorium.
President Anderson gave the welcoming speech to the invited guests and introduced the advisors, officers, and members of the fraternity.
In his speech, the frat's senior advisor, Professor Lee Weaver, stressed the importance of college students engaging in extracurricular activities on campus. He suggested to the prospective pledges to "look over" the fraternities on campus before deciding which one to join.
Scholastic achievement as a goal, was Professor James Keniston's advice to those present. He pointed out that college fraternities throughout the country are trying to raise their scholastic standards as well as maintain their social functions.
Narrative Vice-President Bob Talbot of the Phi Sigma Nu Alumni Association was the main speaker of the evening. His interesting and informative talk covered the functions of the Alumni Association and its relationship with the active fraternity on campus. Mr. Talbot stated that although a Phi Sig brother has graduated from Bryant, he still remains very much a part of the fraternity through the Alumni Association. He

Alpha Theta's Nov. 4 Smoker a Success; Again After Sno' Queen Honor

By Edgar Carr
The brothers of Alpha Theta Chi staged a very successful smoker on November 4. The enthusiasm and interest shown by the turnout of freshmen may lead to one of the largest groups of pledges this fraternity has had in the last few years.
AOX's bowling team, still in hot pursuit of the title, now stands only two points back of the leader in one of the closest battles for first place in the past few seasons.
As in the past, AOX will once again enter a basketball team in the last Bryant league. All freshmen who are interested in playing for the team should contact one of the brothers.
Practice starts soon, and the first must have the names of interested players right away.
The brothers have voted to enter a candidate for Sno' Queen again this year. Plans are well underway to make this another successful campaign.
Alpha Theta Chi is now making plans for an Orphan's Party to be held in the near future. The party will be held in celebration of AOX's adopted Korean son's birthday.
Those interested in joining a fraternity to take into consideration the advantages and prestige of belonging to a national fraternity such as Phi Sigma Nu.

Phi Upsilon Sisters Sport New Blazers

By Joseph Bisset and Terry Leonard
Phi Upsilon, together with their brothers, Chi Gamma Iota, held their Smoker on Tuesday evening, October 28. It proved to be a great success with the school gym filled to capacity.
Everyone enjoyed the buffet supper served at 7 o'clock. Following the supper, a meeting was held to introduce the officers and members of the sorority to the prospective pledges. After the meeting the girls had an opportunity to get acquainted with the sisters before the dancing started. Purses of little white flowers were given to each girl.
A tea for the pledges is being held Sunday afternoon, November 9, from 2 to 4, at Betty Ann Marriag's home in Rumford.
All the Phi Upsilon sisters will be adding a little more color to the Bryant campus when they step out in their new blazers, embroidered with the sorority emblem.

December 6 Set for Sno' Queen Dance

President of Sigma Lambda Phi, Barry Levine, has announced that the Sno' Queen Dance will be held on Saturday, December 6. Chairman of the Dance Committee, Sid Dugan, advises that the decorations will be altogether different from anything shown in the past. Everything possible is being done to make this "20th Anniversary Sno' Queen Dance" the most spectacular occasion of the semester.
The candidates for Sno' Queen will be introduced at Kappa Tau's "Turkey Trot" on November 22. It will then be up to the Bryant students to choose the queen they wish to have reign over the Bryant campus.

Sister Mary Genevieve

Sister Mary Genevieve, R.S.M.
One of Bryant's new students whom we are proud to present in this issue is Sister Mary Genevieve of Saint Mary's Convent, in Riverside, Rhode Island.

A native of Massachusetts Sister Mary Genevieve attended Saint Mary's Academy in Fall River and Mother of Mary Norwiche for three years before entering Saint Mary's Convent at the end of last August. She belongs to the Order of Sisters of Mercy.

At the present time Sister Mary Genevieve is enrolled in Bryant's Teacher-Training Course, as is Sister Mary Demetria. She has completed two years of accredited college courses in education previous to her enrollment at Bryant.

Sister Mary Genevieve will attend Bryant for the next two years to take some special courses in the field of business administration. This opportunity is offered to better equip the Sisters in their teaching positions. Other Sisters take refresher courses throughout the summer months.

Attending Bryant College is Sister Mary Genevieve's first assignment. As yet she has not been appointed to a position. When qualified to teach, she will be assigned to teach business courses in one of the high schools in the Massachusetts-Rhode Island area.
Sister Mary Genevieve holds that Bryant College offers a very practical and thorough course in the field of business administration.

Rabbi Rosen Meets With Hillel Members

By Carole Oliner
On October 22 the Barn Studio was the scene of the Hillel Foundation's first Sunday evening social of this semester. The purpose of the social was to give both the new and old members an opportunity to become better acquainted with each other and with the group's advisor, Rabbi Nathan Rosen. The Rabbi and Mrs. Rosen were the guests of the evening.
At the meeting on Thursday, the members voted and approved the action of holding regular meetings bi-monthly rather than weekly. Arrangements are being made to have a party for the members of Hillel at the home of Hillel and Mrs. Rosen in the near future. Later a question and answer period was conducted by the Rabbi on the ancient customs and traditions of the Jewish faith.

At this time, Sigma Iota Chi is pleased to announce that Virginia Wachter and Barbara Nichols are now Third Degree Members of the sorority.

The sisters are making preparations for Help Week and for their teas.

BIB's Sno' Queen Candidate Chosen; Xmas Cards on Sale

In preparation for the annual election of the Sno' Queen of Bryant College, B.I.B. has chosen the prettiest girl on campus. The brothers are not in a position to discuss the name of their candidate at this printing—but if anyone has seen a girl that made him do the old double take, he's seen her.
B.I.B. is holding its Annual Christmas Yard Sale in the Student Union every day from 28 to 1. Christmas has a way of coming up, and everyone should order early. There is a varied assortment designed to suit every individual taste. These cards are both beautiful and expressive, inexpensive and well-designed.
B.I.B.'s bowling team got back onto the winning trail as they took three of four points from K.T. on October 22. Dick Cooper led the team in the first game, rolling a 129. K.T. took the second game, but the Armenian Ab-Kife, George Mouradian, started things all over again with a 130.
Working on that win, the team rolled over Alpha Omicron, sweeping the series three games. It was strictly a team effort as the men of the squad combined their talents and held down A.O. The team is composed of George Mouradian, Fred Anger, Dick Cooper, Bert Brownwell, Charles Terrill, and Dick Dile.

Smoker in Barn Studio, Hallow'en Children's Party Occupy SLT Sisters

By Janet Carr
Sigma Lambda Theta's smoker, held in the Barn Studio, was a big success. Gary Beers, president of Theta, introduced the sisters and explained to the guests the many activities, functions, and standards of the sorority.
All those attending the smoker received red and white popcorn as favors. Each sister wore a red robe, the flower of the sorority. Afterwards, the sisters and guests joined Beta Sigma Chi in the gym. Everyone enjoyed dancing and refreshments.
The Hallow'en party held for the children of St. Alexius Orphanage on November 1 was one of the most successful parties ever given for the children by Beta and Theta. A bus provided transportation to and from the orphanage in Greenville.
Dunking for apples, pin-the-tail-on-the-donkey, and several other games were played enthusiastically by the seventy youngsters. Hallow'en favors and refreshments were served by the sisters and brothers.

Bryant's "Flag" Gridders Topple Providence College 20-0

Tau Ep, Undefeated, Rules Pigskin Realm Again

Members of Tau Ep's championship football squad (from left to right): Third row—Guido Rizzo, Jimmy Aiello and Curt Holmes. Second row—Bob Chase, Fred Grebin, Frank Del Rocco and Line Coach, Peter Vocela. First row—George McGonagle, Bob Hatheway, Charlie Regan, Nicholas Tartaglione and Jay Ryan.

Tau Ep Takes Second Straight Intramural Football Championship

By Charlie Regan

Tau Epsilon captured its second straight intramural football championship by downing the Westerly Communists 13 to 0.

Tau Epsilon showed a smooth working offense and a tough defense in winning the championship game. Guido Rizzo scored the first touchdown on a five-yard plunge in the first quarter. In the second quarter, Ray Aiello threw a T.D. pass to Jimmy Aiello. Frank Del Rocco passed to Curt Holmes for the extra point.

The Tau Epsilon defense proved too much for the previously high scoring Westerly team. Every time the Communists tried to move the ball they were stopped cold in their tracks by the hard charging Tau Epsilon line.

Outstanding players for the Communists were Don Hill, Ken Bennett, and Dick Mansfield. Rizzo, Aiello, Holmes, Del Rocco, Jay Ryan, Nick Tartaglione, and Freddy Grebin played outstanding ball for the winning team.

Members of the championship team are Curt Holmes, Jay Ryan, Nick Tartaglione, Bob Hatheway, Jimmy Aiello, Ray Aiello, Bob Penta, Frank Del Rocco, Wes Adams, Guido Rizzo, Lou Logan, Charlie Regan, Bob Chase, George McGonagle, Freddy Grebin, and coach Peter Vocela.

Ken Bennett passed for two touchdowns to Ray Nolletti and ran to Don McVicar as Westerly walked Alpha Theta Chi, 18 to 0.

Bennett completed passes from all over the field and was too tricky for Alpha Theta to cope with. Just as A.T.C. started to move the ball, Bennett or Don Hill would come up with an intercepted pass to stop the threat.

The game was highlighted by several spectacular pass catches by Ray Nolletti and Don Hill.

Tau Epsilon beat a determined Kappa Tau team 7 to 0.

Jimmy Aiello made a first catch of a Frank Del Rocco pass on the K.T. five yard line. On the next play Guido Rizzo behind long blocking ran over for the only touchdown of the game. Playing fine offensive games for T.E. were Ray Aiello, Guido Rizzo, and Freddy Grebin. On defense Jimmy Aiello, Nick Tartaglione, and Jay Ryan were outstanding. Buddy Wright played his usual good game for Kappa Tau.

The intramural football league was a huge success this year. All games were hard fought and full of good sportsmanship and spirit. Playing a big part in the success of the league were the hard working officials, Norm Dwyer, Jimmy McPhillips and Barry Nelson.

Pugilists to Begin Training Shortly

Tentative Boxing Matches Arranged by Coach Rusillo

By Jim Sheedy

Between there a man with soul as dead, that he couldn't enjoy swinging at another man's head?

Mr. Paul Rusillo, well-known economics instructor at Bryant and an active advisor to Alpha Theta Chi, is going to give the men of Bryant College an opportunity to learn the manly art of self-defense. With the formation of the newly conceived (Bryant) boxing team, Mr. Rusillo plans to instill self-confidence and sense of well-being in his charges. The past has proved that a man acquires these characteristics through boxing.

Bryant is not interested in forming a group of punchy pugilists, nor does Mr. Rusillo plan to attempt to produce professionals. In fact, in his modesty, Mr. Rusillo doesn't think that he could.

The college is going to furnish the gloves, headgear, bags, etc. The gloves will be 14 ounce gloves, commonly referred to in the boxing circles as pillows.

The initial meeting will be held on November 17 when introductions will be made and a schedule set up. At present the schedule will include a minimum of two workouts a week. These workouts will be approximately two hours in length.

The training will start slowly and work up to a rugged point when Mr. Rusillo will be working his protégés "to the bone." This training will not be easy, and any diligent trainee should be able to join any commando outfit in the world after the season.

Mr. Paul Rusillo

No gloves will be loaned for at least one month; and Mr. Rusillo stresses the fact that while he looks forward to getting some experienced men in will welcome any fellows who have never laid a glove before.

Mr. Rusillo's background proves him to be a competent man with the know-how of the square ring. He has a total of seven years of boxing behind him. This includes CYO and Navy boxing.

At the present time a tentative match is being arranged with Providence College. There are sure to be more if the interest of the competitors and the student body warrants them.

Be certain to watch the school bulletin boards for further announcements.

Home Squad Defense Shines; DelRocco, Nolletti, Holmes, McPhillips Pave Way to Win

By Jim Sheedy

Tau Ep Paces Men's Bowling

Tau Ep's Kegger Kamp has produced a bowling team that is currently leading the men's bowling league by a slim one-point margin. They are being hard pressed for the top spot by Alpha Theta Chi and Phi Sigma Nu.

Curt Holmes has been the big gun for the Red and Black with an average that has been over 100 since the very first week.

In the action of October 22, Phi Sig rolled its way to a smashing victory over Alpha Omicron by the lopsided score of 1689 to 1429.

Beta Sigma Chi, the surprise challenger of this early date, split two points with first place Tau Ep. Chi Gam dropped four points to a strong Alpha Theta Chi five, while BII outlasted Kappa Tau to edge them three points to one.

Delta Sig Leads Sorority Bowling

With the help of Sigma Iota Chi, Delta Sig moved into the top position in the Women's Intramural Bowling League. While SIC was taking four points from SIB, Delta Sig topped four from Beta Sigma Omicron to take over the lead.

Delta Sigma Omicron, the newest sorority on campus, took four big points from Sigma Lambda Theta who just can't seem to get rolling on the alleys.

APK, another team having trouble getting started, drew a bye last week while Phi U took three points from KIK.
